New trends and expectations are reshaping the automotive industry. Inspired by the exciting new challenges associated with this revolution, Faurecia anticipates the future of mobility developing cutting-edge solutions for smart life on board and sustainable mobility. If you are willing to contribute and create value for tomorrow's cleaner and smarter mobility, Faurecia is the place to be!

PLEASE NOTE BEFORE APPLYING:

1. **To be eligible for the VIE program, you must be European, aged between 18-28 old and graduated from a master/engineering degree**
2. **Your application must be submitted in English to be considered by our non-French speaking teams in our plants worldwide.**
3. **As part of your international development, you cannot perform a VIE in the country of your citizenship.**

The VIE Program of Faurecia is an international young graduate program, which enables young graduates native from the European Economic Area (EU + Norway, Liechtenstein and Iceland) aged between 18 and 28 to work for one of our subsidiary around the world!

Business France, the French agency for international business development, is in charge of all the administrative procedures of your assignment. For further information, please visit the following link: <https://www.civiweb.com/> and <http://careers.faurecia.com/job-offers>
